DAYLIGHT BREAK AND ENTERS, CUMBERLAND BEACH

(SEVERN TWP, ON) – Orillia OPP are investigating three reports of Break, Enter and theft from residents in the Cumberland Beach area of Severn Township. The incidents occurred between the dates of March 16 – March 24, 2011.

It appears that someone is checking for insecure residences during the daylight hours. Once inside, the thief is taking prescription medications and small electronic devices. The culprit may be on foot stealing smaller items which are easier to carry in a pocket or knapsack.

Orillia OPP remind residents to lock all doors and windows. If you are at home during the day, be on the look out for any suspicious activity and if you see something, call police immediately.
